

AGRIBUSINESS

AGRIBUSINESS IS ONE OF THE MOST VIBRANT SEGMENTS OF THE BRAZILIAN ECONOMY AND STANDS OUT FOR ITS INTEGRATION OF ADVANCED TECHNOLOGICAL INNOVATIONS WITH SUSTAINABLE PRACTICES. THE SECTOR REQUIRES LARGE INVESTMENTS, AS WELL AS LEGAL AND TAX SUPPORT APPROPRIATE TO ITS RELEVANCE AND SPECIFIC DEMANDS. FOR THIS REASON, COMPANIES, INVESTORS, AND FINANCIERS CAN RELY ON OUR LEGAL INTELLIGENCE IN THEIR GROWTH STRATEGIES.

We provide legal advice to all participants in the agribusiness production chain, including farmers, cooperatives, trading companies, multilateral organizations, research institutions, and regulatory agencies.

COMPREHENSIVE LEGAL SOLUTIONS FOR AGRIBUSINESS

Our **agribusiness law** practice ranges from financing and capital market transactions, debt restructuring, corporate and M&A transactions, product exports and imports of equipment and inputs, to the acquisition and title regularization of rural properties, drafting and reviewing contracts and structuring and modeling transactions.

We also provide support in labor and social security matters, litigation, crisis management, and debt restructuring, and representing our clients in lawsuits.

We structure and issue agribusiness credit securities, such as the Rural Product Note (CPR), the Agribusiness Credit Rights Certificate (CDCA), the Agribusiness Credit Letter (LCA), and the Agribusiness Receivables Certificate (CRA), among others.

We also support our clients with complex issues of contracts, insurance, land rights, as well as offering advice on technological innovations, the carbon market, environmental licensing and regularization, and succession and family planning.

Our aim is to ensure a solid foundation for companies to grow and prosper in the dynamic agribusiness market.
