

KOREA DESK

We have solid experience in transactions involving the main Asian markets. We assist South Korean clients interested in investing in Brazil or expanding their presence in the country, as well as Brazilian companies that intend to expand their business to the Asian continent. Our services include:

- IPO Transactions
- Creation of strategic alliances
- Investments in Brazilian assets
- Antitrust proceedings in acquisition transactions of Brazilian companies
- Financing infrastructure and/or technology projects
- Real Estate Developments
- Consulting on environmental issues

Highlights of our practice

We have a multidisciplinary team that understands well the cultural diversity of South Korea to help companies and investors make business possible in each territory.

Due to the region's dynamic conjuncture, our professionals keep up to date to meet legal and commercial needs in an individualized manner, with strategic solutions and effective results.
