DEAL TRACKER: WHICH WERE THE BUSIEST FIRMS IN Q1 AND Q2 2024?

29 OCTOBER 2024

Law firms in Latin America reported fewer deals to Latin Lawyer's Deal Tracker in the first six months of 2024 compared to the same period in 2023, reflecting market slowdown amid high interest rates and inflation, as well as heightened uncertainty surrounding political elections. Read on to access the report and find out which firms had the most mandates in the first half of the year.
