STAYING DILIGENT

12 MARCH 2015

High-profile mergers and acquisitions might be the lifeblood of a law firm like Machado, Meyer, Sendacz e Opice Advogados, but discerning clients have grown increasingly unwilling to pay over the odds for the accompanying due diligence. With this in mind, the firm streamlined their procedures in a bid to offer clients better value for money. Vincent Manancourt found out how it went.High-profile mergers and acquisitions might be the lifeblood of a law firm like **Machado, Meyer, Sendacz e Opice Advogados**, but discerning clients have grown increasingly unwilling to pay over the odds for the accompanying due diligence. With this in mind, the firm streamlined their procedures in a bid to offer clients better value for money. Vincent Manancourt found out how it went.
